Section 5: Question Manager

You can use the questions manager on PigeonPoll to control which questions show up when you play the game.

Imagine that you want to remove a question from the game so it does not appear in future games. The detailed steps in this section show you how to:

1. start the application
2. tap continue
3. tap the manage questions
4. remove the desired question from the database.

Table 1 A showing the comparision of the Flesch-Kincaid score between the various texts.

| Text	Flesch-Kincaid score
CS department paragraph	10.46
Sample instruction text	66.87
My instruction text	73.33

*Figure 1 Flesch-Kincaid score of the CS dept paragraph*

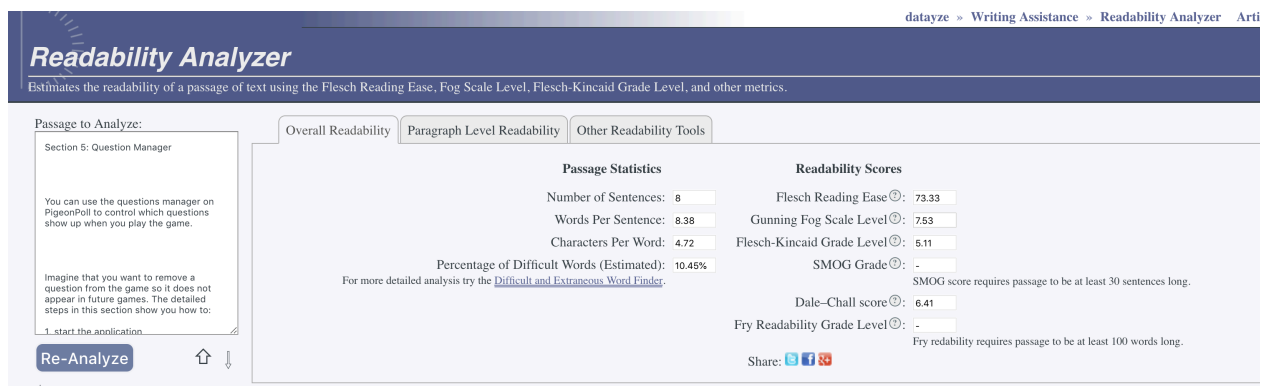

Figure 2 Flesch-Kincaid score of the sample instruction text.

Figure 3 Flesch-Kincaid score for my instruction text.
